GENERAL INFORMATION

Please note the following usage guidelines:

- When dashes (- - - -) are shown in place of a part number, the part is either not available for sale or not sold separately. Refer to the accompanying Service Items listing for availability.
- An asterisk (*) preceding a part number indicates the item is only available through the Toro Finished Goods Distribution System and must be ordered accordingly.
- This book is updated annually. The published part numbers and descriptions are subject to change. If changes and/or corrections are required, the updated information will be made available through the Toro Distributor Operations Bulletin and/or Tech Tip communications.
