Meet the stand-on spreader-sprayer that's taking the industry by storm... The Scag Turf Storm.

Built Scag Tough, the Turf Storm is a must-have tool for the serious landscape chemical applicator, and anyone looking to expand their lawn care offerings. A natural fit for large commercial properties, the Turf Storm also makes itself at home while treating residential lawns.

With right-sized liquid and dry capacities, the Turf Storm will help you get more done per day for maximum productivity and profitability.

TURF STORM

Ergonomic drive control lever design provides incredible ease-of-use. Adjustable front bar acts as speed control for accurate application rate.

Accuracy and consistency of application are easy to maintain with controls and gauges that are clearly marked and located within easy reach. High-quality switches, levers, dials and gauges ensure reliable engagement/adjustment and long life.

Spacious operator platform features an extra-large operator comfort cushion paired with coil-spring suspension for a smooth ride.

Removable cushion and open lower area allow quick and easy service access to the hydro drive pumps, hydro oil reservoir, and other mechanicals.

- **Heavy-duty construction** ensures years of dependable service and worry-free productivity. Important structural components are made of **stainless steel** to resist the effects of consistent exposure to commonly-used, highly-corrosive chemicals.
- **Wide stance and minimal length** optimizes the machine's overall maneuverability and stability.
- **Incredible machine balance** ensures sure footing, eliminating the need for locking front casters.
- Rugged, **dual hydraulic drive system** delivers dependable power with 10 cc Hydro-Gear pumps and 14.5 ci Parker wheel motors.
- **Productive ground speeds** help get the job done fast: up to 8.5 mph.
- **Large 5-gallon fuel tank** features large filler neck, fuel gauge and molded-in cup holder for operator convenience.
- Powerful and efficient **21 hp Vanguard engine** delivers ample power, along with exceptional efficiency and dependable performance. **50-amp charging system** ensures dependable spreader operation and battery life.
- **Large 20" drive tires and 16" caster tires** provide dependable traction and a smooth ride.
- **Front and rear tie-down points** for easy trailering.
- **Strong warranty:** 2-year commercial / 90-day rental limited warranty coverage against manufacturing defects.
- **A variety of accessories** will be available for the Turf Storm, allowing you to customize the machine for maximum production based on your specific needs: 7gpm pump, foam marker kit, auxiliary spray tank, rear-mounted storage trays and LED light kit.*

** Anticipated accessory list. Not all accessories will be immediately available at Turf Storm initial release in Fall, 2020. Consult with your Scag Dealer for more information.*

220-pound hopper dry/granular capacity. High-torque electric spreader motor helps deliver up to 25-foot spread width.

Hopper cover is included to help keep granular materials dry to prevent clumping and sticking.

Spread dry materials up to 25-feet wide thanks to a high-torque electric spreader motor.

8-foot wide spray fold-away spray boom with five nozzles delivers spraying widths of 2, 6, 8 or 10 feet. 5gpm sprayer pump.

Hinged boom arms fold inward for transport, or to access tighter spaces.

Replaceable nozzle design (with strainer) accommodates most standard tips, allowing you to install exactly the right tip for the job and conditions.

60-gallon total liquid capacity keeps you spraying longer. Dual 30-gallon liquid tanks with drain valves for easy draining and cleaning. Pre-pump strainer is equipped with a 50 mesh screen.

Drain plug at the lowest part of the tank allows for quick and convenient tank draining and cleaning in between the use of different chemicals.

Heavy-duty hose reel with 75 feet of high-pressure hose lets you reach those spaces that are too tight or steep to drive onto.
